We take pride in our reputation for reliability, professionalism, and integrity. Now, building upon our success and expertise, we are excited to announce the expansion of our services to include HVAC and plumbing solutions.

JOB DESCRIPTION

We are currently seeking a skilled and experienced Plumber to join our team. In this role, you will be responsible for installing, repairing, and maintaining plumbing systems in residential and commercial settings. Your expertise in plumbing will ensure the functionality, efficiency, and safety of our clients' plumbing systems.

RESPONSIBILITIES

- Install, repair, and maintain plumbing systems, including pipes, fixtures, and appliances.
- Perform inspections and assessments of plumbing systems to identify issues and recommend solutions.
- Diagnose and troubleshoot plumbing problems and provide effective repairs.
- Install and repair water heaters, faucets, toilets, sinks, and other plumbing fixtures.
- Repair or replace damaged pipes, fittings, and valves.
- Follow safety protocols and adhere to relevant codes and regulations for plumbing work.
- Communicate professionally with clients to explain work performed, provide recommendations, and address any concerns.
- Maintain accurate records of work performed, materials used, and service history for client systems.

REQUIREMENTS

- Proven experience as a plumber, with a minimum of [2] years in the field.
- Completion of a plumbing apprenticeship program or equivalent training.
- Strong knowledge of plumbing systems, components, and materials.
- Ability to read and interpret blueprints, schematics, and technical manuals.
- Excellent problem-solving skills and attention to detail.
- Effective communication and customer service skills.
- Valid plumber's license or certification.
- Valid driver's license and clean driving record.

BENEFITS

- Competitive salary based on experience and qualifications.
- Health, dental, and vision insurance.
- Paid time off and holidays.
- Opportunities for professional development and advancement.
- Company-provided vehicle and tools

Join our team and play a key role in delivering exceptional plumbing services to our valued clients. If you meet the requirements and are passionate about ensuring functionality, efficiency, and safety in plumbing systems, we'd love to hear from you!

HOW TO APPLY

Please submit your resume and cover letter outlining your relevant experience and qualifications to HR@mgd-electric.ca. We look forward to reviewing your application!
